

Jozef Bachorik

Kukučínova 233/3, Bytča 01401, Slovak Republic • +421948918183 •

jozefbachorik@gmail.com

Date of birth: 29. 8. 1994

Front-end engineer with 9 years of experience in building web applications. My current focus is the modern JavaScript stack - React 18, Next.js 14, and TypeScript - including server-side rendering (SSR/ISR) and deployments on Vercel. I am seeking remote/hybrid/fulltime B2B/freelance engagements with teams across the EU or US.
